What Does This Church Teach?

The teachings of this church are based directly on the Bible. If you are curious what the Bible says, you have come to the right place. This is a "Christian" church in that its main goal is to not only teach people about Jesus Christ but also lead them towards a personal relationship with Jesus Christ as their Savior and Lord. That's what the slogan, "Leading People to Living Water" basically means. This church is affiliated with the Christian Reformed denomination, which emphasizes the Bible as the Word of God, faith in Jesus as the way to salvation, the direct access all of us can have to God, and belief in God the Father, Son, and Holy Spirit.
